GREEN

BROWN

PURPLE

WHITE

YELLOW

4. Scavenger Hunt – Can you find the following 9 things in the park? Tick each as you find them!! Remember... Be kind to living things.

Feather

Beetle

Mushroom

Spider web

Spider

Gumnut

Prickly leaf

Animal footprint

Three different types of leaves

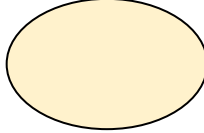

Thorndon Park Reserve Nature Challenge

Did you know that Thorndon Park has a bird island refuge? Did you see it? YES NO

The next challenge might be tricky. Find four different types of birds in the park. Hint. Not all birds live in trees.

5. How many different birds did you find?

6. Draw your favourite bird.

My bird is a _____

What is it doing?

Why do you think it likes the park?

What kind of sounds is it making?
